Sir:

In accordance with 37 C.F.R. §1.97 and §1.98, enclosed is a PTO Form-1449 listing art for consideration by the Examiner and a copy of each of the identified documents.

CERTIFICATION UNDER 37 C.F.R. § 1.97(e)

Each item of information contained in this Supplemental Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Supplemental Information Disclosure Statement. Specifically, these documents were cited by the European Patent Office in a International Search Report dated November 11, 2004. A copy of the search report is also enclosed.

Consideration of this information is respectfully requested.

The submission of the listed documents is not intended as an admission that any such documents constitute prior art against the claims of the present application.
